Total de trabajadores: 29

Note — this is an estimate. This total reflects the agents currently assigned to Torro. As long as all of these agents remain employed, this is the amount owed; adding more agents will increase the total. As of the calculation date, these amounts are each agent's Christmas bonus (aguinaldo) in accordance with Mexican labor law (Art. 87, Ley Federal del Trabajo). The peso (MXN) amounts are fixed by law. **The USD figures are an estimate at today's exchange rate of \$17.07 MXN per dollar (13/08/2026) and will change** as the exchange rate moves. Amounts are gross, before ISR withholding.
